

Personas 88 Drive-up

- Ergonomic design for ease of use from all vehicles
- Completely color customizable to reinforce your brand
- Easy installation, in a kiosk or through-the-wall
- Providing services where and when the customer demands

NCR's intelligent and highly functional Self-Service Touchpoints™ can turn your existing infrastructure into a strategic weapon. Our solutions help you to build better customer relationships, generate new revenue streams and migrate more transactions to a cost-efficient channel. Our Web enabled Self-Service Touchpoints™ are the physical presence required for e-commerce fulfilment and mobile lifestyles. Making the virtual tangible.

Customers are increasingly demanding the convenience, comfort and security of drive-up banking. They expect round the clock availability and ease of use as a minimum. The **Personas 88** Drive-up allows you to deliver in full, in style, economically and reliably.

The **Personas 88** is built around NCR's market leading self-service technology and is one of a family of personas ATMs, which also includes the **Personas 90** Free-standing.

The **Personas 88** has been designed as a full function drive-up ATM, suitable for either kiosk or through-the-wall installation.

The compact design is the result of exhaustive research, development and testing - so your customers will find it easy and convenient to use. Whatever vehicle they drive, they'll find the **Personas 88** is right at their fingertips.

The **Personas 88** provides the wide range of services your customers demand. They can withdraw cash, pay bills, cash checks, make account inquiries and receive statements.

Personas 88 can also dispense non-cash items such as stamps, tickets or coupons - this means more convenience for your customer, more revenue opportunities for you.

Your drive-up ATM may be your customers' main contact with you - so branding is important. The NCR color customization service allows you to customize the **Personas 88** to match and reinforce your own brand identity.

The **Personas 88** Drive-up ATM allows you to deliver a wide range of services to your customers wherever and whenever they demand.

NCR. Driving self-service innovation.
