

# Personas 90 Free-standing

- Designed for free-standing operation
- Ergonomic design for ease of use from all vehicles
- Completely color customizable to reinforce your brand
- Dual safe for improved servicing

*NCR's intelligent and highly functional Self-Service Touchpoints™ can turn your existing infrastructure into a strategic weapon. Our solutions help you to build better customer relationships, generate new revenue streams and migrate more transactions to a cost-efficient channel. Our Web enabled Self-Service Touchpoints™ are the physical presence required for e-commerce fulfilment and mobile lifestyles. Making the virtual tangible.*

Customers are increasingly demanding the convenience, comfort and security of drive-up banking. They expect round the clock availability and ease of use as a minimum. The **Personas 90** Free-standing allows you to deliver in full, in style, economically and reliably.

The **Personas 90** is built around NCR's market leading self-service technology and is part of the personas family of ATMs, which also includes the **Personas 88** Drive-up. The **Personas 90** has been designed as a full function, free-standing, drive-up ATM, to provide you with the ultimate in drive-up self-service.

The **Personas 90** provides the wide range of services your customers demand.

They can withdraw cash, pay bills, cash checks, make account inquiries and receive statements.

**Personas 90** can also dispense non-cash items such as stamps, tickets or coupons - this means more convenience for your customer, more revenue opportunities for you.

The design is the result of exhaustive research, development and testing - so your customers will find it easy and convenient to use. Whatever vehicle they drive, they'll find the **Personas 90** is right at their fingertips.

The **Personas 90** allows for optimal servicing by separating the replenishment functions into three

distinct areas: consumables (paper), deposits and cash.

Your drive-up ATM may be your customers' main point of contact with you - so branding is important. The NCR color customization service allows you to customize the **Personas 90** to match and reinforce your own brand identity.

The **Personas 90** Free-standing ATM allows you to offer a wide range of services to your customers wherever and whenever they demand.

The **Personas 90** from NCR. Driving self-service innovation.
