

CURRENCY COUNTERS

75 Series

Continually exceeding your expectations of commercial-grade currency counters

MAGNER[®]

Proven Performance and Quality

MAGNER® 75 Series

The 75 Series offers the technology, performance, and productivity you expect from MAGNER® — the global leader in table-top currency counters. With a wide range of features and options, the 75 Series is designed for accurate high speed processing, simplicity of operation, and rugged reliability, even in the most demanding applications.

Choose from a basic model with variable batching or a more advanced model with dual head, dual threshold magnetic suspect counterfeit detection. Should your application require it, we also offer ultraviolet and magnetic suspect counterfeit detection in combination.

Our Currency Counters have evolved from years of experience and are backed by unmatched support through our network of MAGNER® Authorized Distributors Nationwide.
